- 5.6 Not more than a total of 7 races per event will be sailed per day.
- 5.7 On the last day of the regatta no warning signal will be made after 17:00 hours.

6 FORMAT

- 6.1 For the men's and women's individual events, the format will be a single series. The single series may be divided into a qualifying series and a final series.
- 6.2 When the format includes a qualifying series:
 - 6.2.1 Initially kiteboards will be assigned to flights Yellow, Blue, Red, etc., of, as nearly as possible, equal size and ability. Initial assignments will be made by the race committee based on the kiteboards current standing in the world ranking. Those assignments will be posted at least 30 minutes before the first warning signal is made and will not be grounds for redress. This changes rule 62.1(a).
 - 6.2.2 In the qualifying series kiteboards will be reassigned to flights after each day of racing, except if on the first day only one race is completed. If all flights have completed the same number of races, kiteboards will be reassigned on the basis of their ranks in the series. If all flights have not completed the same number of races, the series scores for reassignment will be calculated for those races, numbered in order of completion, completed by all flights. For three flights, and similarly for any other number, reassignments will be made as follows:

First	Yellow
Second	Blue
Third	Red
Forth	Red
Fifth	Blue
Sixth	Yellow
Seventh	Yellow
etc.	

- 6.2.3 Re-assignments of flights in the qualifying series will be based on the ranking available at 2100 on the day before they take effect regardless of protests or requests for redress not yet decided.
- 6.2.4 If all flights have not completed the same number of races by the end of a day, the flights with fewer races will continue racing the following day until all flights have completed the same number of races. All kiteboards will thereafter race in the new flights.
- 6.3 When the format includes a final series:
- 6.3.1 Kiteboards will be assigned to final-series flights Gold, Silver, Bronze etc., based on their ranking in the qualifying series. There will be the same number of flights in the final series as there were in the qualifying series. The final-series flights will have, as nearly as possible, equal size and the Silver flight will not be bigger than the Gold flight. Kiteboards with the best qualifying-series ranks will race all final-series races in the Gold flight, kiteboards with the next-best qualifying-series ranking will race in the Silver flight, etc.
- 6.3.2 Any recalculation of qualifying-series ranking after kiteboards have been assigned to final-series flights will not affect the assignments except that a redress decision may promote a kiteboard to a higher flight.
- 6.4 For the mixed team relay event, the LSI will outline the format depending on entry numbers.
- 6.5 For the event overall standings, competitors are ranked in the order of the competitors competing in Gold, Silver Bronze etc. flights standings. This may not apply to a kiteboard disqualified under RRS 5, 6 or 69.

8 TIME LIMITS AND TARGET TIMES

- 8.1 Time limits and target times, in minutes, are as follows:

<u>Time Limit</u>	<u>Mark 1 Time Limit</u>	<u>Target Time</u>	<u>Finish Time Window</u>

- 15.3 For a single series and a qualifying series, a kiteboards series score will be the total of her race scores, excluding her worst score when 5 to 9 races are completed, her two worst scores when 10 to 14 races are completed, and her three worst scores when 15 and more races are completed.
- 15.4 For a regatta consisting of a qualifying series and a final series:
- 15.4.1 A kiteboards series score will be the total of:
- two scores equal to her ranking position in the qualifying series; plus
 - her final series scores.
- Her worst score will be excluded when 5 to 9 final series races are completed, and her two worst scores when 10 final series races are completed, except that only one of the carried forward scores may be excluded. This changes rule A2.

- 18.6 For breaches of NoR/SI marked [SP], the Race Committee may apply a standard penalty without a hearing to the race closest in time to the incident. The scores of other kiteboards shall not be changed; therefore, two kiteboards may receive the same score. However, the Race Committee may protest a kiteboard when they consider the standard penalty to be inappropriate. A kiteboard that has been penalized with a standard penalty can neither be protested for the same incident by another kiteboard nor can another kiteboard request redress for this Race Committee action.
