

LOGISTICS AND ACCOMMODATION

Dear Competitors,

We are excited to welcome you to Campione del Garda for our upcoming event, and we want to ensure that your stay is as comfortable and convenient as possible. We understand that finding suitable accommodation can be a key concern for many of you, so we've made arrangements to provide various accommodation solutions in the area.

In Campione del Garda, you will have access to a range of options to suit your needs:

- **Rooms for 2 to 4 People:** we have double, triple and quadruple rooms available that can comfortably accommodate 2 to 4 people. These rooms come with breakfast and full board, offering you a convenient and hassle-free stay.
- **Apartments for 4 to 8 People:** For larger groups, we offer spacious apartments that can host 4 to 12 people. These apartments also include breakfast and a full board, making them a great option for teams or groups of competitors.
- **Hostel Beds:** If you're looking for a more budget-friendly option, we have hostel beds available. They come with breakfast and a full board, ensuring that you have everything you need during your stay.
- **Camper Parking:** We have arranged for 6 camper parking spots that will be provided for free, and they can be booked in advance. These parking spots are conveniently located just 100 meters from the club, making it easy for you to access the event. Please note that the price for camper parking in 2023 is €20 per day, but these 6 spots are being offered to you at no charge. It's important to be aware of Italian regulations regarding camper parking. The hostel and the club share the same parking area, and the hostel has 8 spots available for campers. However, due to Italian regulations, campers parked in the hostel area must also take a hostel bed. For those who cannot secure one of the 6 free camper parking spots in advance, there will be additional parking available on a first-come, first-served basis in the same area. These spots, unfortunately, cannot be booked in advance, so we recommend arriving early morning and not in the weekends if you plan to use this option.
